Bubble Babies/Water Otters: This intro to swim class for babies aged 6 months to 3 years is musical, fun, splashy, and comfortable, since our pool is always a cozy 88 degrees. A perfect way for our littlest members to learn to love the water!

Family Swim: Enjoy 30 minutes of splashy play in your own section of the pool! Locker rooms are open. Please keep your mask on anytime you are in the locker room or pool deck, and remove it to get into the pool. Our pool is 3 feet – 6 feet deep.

Open Play:

MY Clubhouse: Our Clubhouse has room to run and play, equipment to climb, and caring staff to read stories or assist in creative play. There is limited attendance per scheduled time so you and your child can safely explore our child friendly indoor play space. Ages 6 and under. All children must be accompanied by an adult while playing in the Clubhouse.

Science and Learning:

Make a Mess Science: It's so fun to make a mess and learn something new! In Make a Mess Science, we explore the world through all 5 senses, using clean and disinfected equipment and supplies. Ages 5 and under.

Family Clay Day: Your family (only one adult and up to two kids) can join us for a full hour session with our ceramics staff. Be led through a project, or work on your own. Handbuilding only. All ages!

Imagination Playground: Imagination Playground is a breakthrough play space concept. Join us in the Great Hall to build an imagination playground all your own.

Sports and Movement:

Mindful Movement with Miss Jodi: Go on an adventure in each class as we learn yoga poses that will help build strength and flexibility while feeling peaceful and calm. Everyone can balance and connect their mind and body, even your little one! We use our senses and our breath to move our body, and discover what it really feels like to ground to the earth like the roots of a flower!

MY Mini Basketball: Join Coach Pam in our large, air conditioned spaces to explore basic skills required for your budding basketball star!.

11:00am (3-4 years) 12:30pm (PreK-K) 2:00pm (K-1st grade)

MY Tennis Tikes: Tennis classes provide a fun environment that will help students age 3-4 years to establish a base for gross motor and athletic skill development. Different from previous years, this season's sign-ups will be on a weekly basis, instead of for a full 8 week session.

MY Tennis Aces: During Tennis Aces, our instructors introduce children to the game of tennis in a fun and supportive way using scaled down courts and equipment. Classes will use a games based approach to tennis instruction while also stressing the continued development of not only tennis skills but also motor and athletic skills.
